The challenge for the next meeting which will be held on Monday 9th April 2013 commencing at 1pm. is **'A PEN AND WASH PORTRAIT.'**...

The meeting for the month of April will be held at the Glenfield Hall Hall Road Glenfield - it is easy to find; if you are coming from the city come up Onewa Road - turn right at the lights at the top of the road at the Zion Church - carry along that road until you come to another set of lights - keep going straight along until you come to a second set of lights with a cemetery on the left keep going straight through. You will then come to a round -about - go straight through again. The next lights you reach will be at the Glenfield Shopping Mall - keep going through the lights up a slight hill - once past the Glenfield mall you can start looking for the turnoff into Hall Road. At the junction get into the lane to turn off and when the traffic allows turn right into Hall Road which is a cul-de-sac and at the top there is the Glenfield Hall with parking, as the saying goes; "for Africa". I will be there early to welcome you

There are several ways to get to the venue if you live on the Shore and I would suggest you check with a map to see which route would suit you. Once you have been there it should be no trouble thereafter

Again any queries or concerns please contact me on 444 0507 or email me at mozart1@clear.net.nz and I will do my best to help.

Pictures at the March Meeting.
Subject " Derelict building but including TWO animals"
